dear Sirs

Your favor of yesterdays date received and note all you say. I think you make a mistake in not taking a run over as the Expense is very little and surely some of the things offering for sale ought to suit you. one of the parties owning the Washington Painting wants to sell & am sure it can be bought for less than $500

If you find you can come over on Tuesday after receiving this letter if you will Telegraph me Monday I will remain here to meet you. If I do not hear from you I will know you are not coming and I will get the information Concerning Washington letter. I learned today where there are 2 checks dated July 18th & July 31st 1798

for $175 and $391 signed by Washington
If they are of any value I will
try to get hold of them. Hoping
to hear from you on Monday

Very Respectfully Yours
